ANZA COMMUNITY HALL ASSOCIATION
ANALYSIS OF RECORDS
As of 24 August 2010

I. Basis of analysis.

A) We have Annual Financial Reports only going back to year-ending 2004, with the exception of FY 2005 which is missing.

B) We have only a current list of current members (name only) for 135 paid members (Stock Holders).

C) We have record of no Board Minutes, no Annual Membership Meeting Minutes for any year.

D) We have not filed a return with IRS since 2002.

E) We have not filed a legitimate Form 990 with the Secretary of State or Attorney General in at least decade,

instead reporting 'net' and not 'Gross' revenues, resulting in avoidance of tax.

F) We have no record of "Director Election Results" for any year. No record of who held staggered Offices.

G) We have no Corporate Seal, no Official Corporate Minute Book of Record.

II. Corporate Officer Duties.

A) "The President shall supervise...the affairs and activities of the Corporation".

B) "The Treasurer....shall keep the financial books and records of the Corporation".

C) "The Secretary...shall record the minutes of all meetings and keep a permanent record in a bound book {and} shall be the custodian of all official records, contracts and...documents of the Corporation..."

III. Standards of Performance.

A) "Malfeasance" \n: wrongful conduct, especially by a public official.

B) "Misconduct" \n: mismanagement, especially of responsibility.

C) "Dereliction" \n: intentional abandonment; intentional or conscious neglect; fault, shortcoming.

D) "Fiduciary Duty" \vt: Obligation; involving a confidence or trust.

IV. Culpability.

The prior Board of Directors have not been forthcoming in forwarding any records in their possession or control.

For an Organization with a 62 year history, it is incredulous that 57 years of Annual Financial Reports would simply vanish.
